**RESPONSE**

Sir:

This is in response to the United States Patent and Trademark Office Action mailed March 26, 2004, which response is being made on or before August 26, 2004, and for which a two months extension fee is due and is being submitted herewith. Please amend the above-identified application as follows.

In the Drawings:

Please note that the attached Petition to Accept Color Drawings/Photographs was prepared and filed in the United States Patent Office on January 6, 2004, in response to the Office Action dated August 11, 2003. Proof of this filing is attached herewith. In said Petition, Applicant submitted three (3) sets of the drawing sheets and authorized payment of \$130.00 to Deposit Account 50-1407. As evidence by the attached copy of said Deposit Account for January 2004, the United States Patent and Trademark Office already debited Applicant's account \$130.00 for this matter on January 8, 2004.

By this response, Applicant is once again submitting the same three (3) sets of the drawing sheets that were originally filed on January 6, 2004 since it appears that the United States Patent and Trademark Office may have misplaced them. Withdrawal of this Requirement is requested.
